News Release

The City of Austin Telecommunications and Regulatory Affairs Office will hold a free pre-application meeting and grant writing seminar on the Grant for Technology Opportunities Program (GTOPs), Saturday, October 20, 2007, 9:00 am at the City of Austin Learning and Research Center, 2800 Spirit of Tx Drive, Austin, TX 78719. Free parking is available at the building. Please check the bulletin board on site for room assignment.

The first half of the meeting will be a pre-application session to review the GTOPs grant and answer questions. The second half will review grant writing basics. The meeting will run approximately two hours.

The GTOPs program was designed by the Austin Community Technology and Telecommunications Commission to support projects that foster digital inclusion. Seating is limited so please register using the on-line form at http://tatoa.org/gtops_register.htm.

For more information please see our website at www.gtops.org or contact Program Coordinator Sheena Harden at (512) 974.3510 or by email at sheena.harden@ci.austin.tx.us
